Notice

No.63/SC/SKS/08

Dated 13<sup>th</sup> Aug 2008

This is to bring to notice of all concerned that while submitting the hard masked cards for testing and certification a certificate from chip manufacturer is also required to be submitted. The format of the certificate is given below and certificate should be in the letter head of the respective chip manufacturer:-

CERTIFICATE

It is certified that the ROM Mask (part # \_\_\_\_\_) under which the microcontroller chips have been manufactured, samples of which are submitted by M/s(name of applicant) for SCOSTA certification to NIC under Registration No \_\_\_\_\_ are owned by (name of applicant) who have the exclusive authority for this mask to be used for production of microcontroller chips.

Authorised Signatory of  
chip manufacturer

  
(S.K. Sinha)  
Director
